What are my obligations?

- Premiums must be paid on time
- You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act to take care to supply accurate and complete answers to all the questions in the declaration and to make sure that all information supplied is true and correct. You must tell us of any changes to the answers you have given as soon as possible. Failure to advise us of a change to your answers may mean that your policy is invalid and that it does not operate in the event of a claim.

When and how do I pay?

You can pay your premium either monthly or annually by recurring DirectDebit payments through GoCardless.

When does the cover start and end?

Cover starts immediately and continues as long as you continue to pay the premiums or you choose to cancel. The policy will be cancelled by us if you fail to make payment. You don't need to renew this insurance if paying monthly. We will contact you if you are paying annually to remind you that the renewal is due.

How do I cancel the contract?

You have the right to cancel the policy at any time. If you cancel within 14 days of purchase (or on the day you receive the policy documents, if that's later), we'll refund any money paid – providing no claim has been made. If you cancel after the 14-day "cooling off" period, and pay monthly we won't refund your premium, but cover will continue until the end of the period for which you've paid.

If you cancel after the 14-day "cooling off" period and pay annually, providing no claim has been made under the policy you will receive a proportionate refund of premium based on the unused period of cover under the policy. To cancel, call 0191 519 4000 or email: info@multigadget.insure
